HARTFORD DAY, NEW HAVEN MONDAY

Largest Class of Candidates Ever Handled Expected Here to Get the 32nd Degree in Masonry at Connecticut Sovereign Consistory.

Next Monday will be Hartford day in the Connecticut Sovereign Consistory, and the largest class of candidates ever worked here in that body is expected from Hartford on that day to receive their 32d degree in Masonry. It is called Hartford day because the Consistory meets then for the benefit of the Hartford candidates, the session being for their accommodation. It is expected that there will be between 200 and 300 candidates on that day, which will mean a large gathering at Masonic Temple, as the candidates will be accompanied by a large number of 23d degree Masons from Hartford, and there will be others here from all parts of the state. Some of the most prominent Masons of the state are usually present at Hartford day. Albert S. Comstock, 32d degree, commander in chief, will have charge of the candidates.

The official programme or war cry of the excellent Bonaparte Lodge, No. 10, will be "Dee-lighted." The programme will be the usual one for the ceremonial session, and what happens there the candidates will have to tell. Anyway, the official programme urges the nobles, when they get out looking for victims, to "tell the nobles that all the nobles about ropes, canals, goats and hot sand are all vapor," and that, on the contrary, the candidate will get a few more than all the good things which are coming to him.

Shriners will be ready for the banquet at 6 o'clock. An hour later the official band, under the leadership of "Tom" Morgan, will burst forth into a concert programme, which will not be ended until 8 o'clock.
